**3. The application form and all relevant information should reach the Civil Aviation Department (CAD) at least 14 working days prior to the date of the proposed balloon flight.** Applications received after this deadline will not be processed in time. Depending on the particular circumstances of the proposed balloon operation, extra time may be required for processing of the application.

**4. The applicant is normally the operator of the balloon, or the Company itself.**

**5. The following supporting documents shall be submitted to the following email address: [balloon@cad.gov.hk](mailto:balloon@cad.gov.hk) in addition to the e-Form application.** These documents shall either be in pdf or Word format for text files, and pdf or jpeg format for photo files. Incomplete or insufficient information may delay the application process.

- a) Photographs and/or maps showing the location of the proposed balloon flight and the adjacent area.
- b) Scaled site plan showing the locations of the anchors and the clear area, with the dimension of the clear area precisely marked.
- c) Elevation or cross sectional plan showing that the cable swept path(s) of the balloon will remain clear of any structures or nearby road traffic and method to secure the balloon.
- d) Description of measures to ensure that the clear area would not be accessible by the public (such as area being fenced off or guarded).
- e) Specification of the balloon.
- f) A letter from the owner or management company of the land authorising the use of the location for flying a captive balloon.
- g) If the flight is for hire or reward, the operator is also required to submit an Application for Permission to Operate Non-Schedule Services (DCA122) obtainable at the following site:  
<http://www.cad.gov.hk/application/DCA%20122.pdf>.
- h) For balloon capable of carrying passengers, the operator is required to provide a copy of the insurance certificate showing that the balloon carries appropriate insurance cover for any accident, incident or occurrence in compliance with the requirements set out in the Civil Aviation (Insurance) Order.

Additional information may be required and further conditions may be imposed depending on the particular circumstances of the proposed balloon operation.

6. Information shall be entered in all applicable fields of the form. Any enquiries concerning the e-Form should be made to the duty CAD officer, tel. no. 29106233.

7. CAD may conduct a site visit to the location to verify the information submitted by the applicant. (The applicant will be required to arrange such visit if required.)

8. This application and the requisite Permission, if granted, only relates to the requirements of the Air Navigation (Hong Kong) Order 1995. The applicant shall obtain any other necessary authorization or permission under any other relevant legislation from CAD, other Government Department(s) or appropriate organization(s) as applicable before undertaking the captive balloon flight.

9. The applicant is advised not to enter into any contractual obligation or begin publicity of the balloon flight until the requisite permissions and authorisations have been obtained.
